AMENDMENT

Sir:

In response to the Office Action mailed September 10, 2002, please amend the above-identified application as follows:

In the Claims:

53/31. (Five Times Amended) A snowboard boot adapted for use with a non-safety-releasable binding to mount the snowboard boot to a snowboard, the binding including a first engagement member, the snowboard boot comprising:

a sole; and

a second engagement member mounted to the sole to engage the first engagement member;

wherein the second engagement member is an ^{second} active engagement member and the first

engagement member is a compatible engagement member that is engageable with the active

^{second} engagement member, the active ^{second} engagement member being movable, relative to the sole, from a
